Let's work together!

Hi, I'm Kikki, the esthetician and lash specialist at Refined Beauty! I have been doing special occasion makeup such as homecoming, prom, weddings, and more for over ten years! My favorite products in my kit that all brides love are my Anastasia Beverly Hills glow pallet, precise eyebrow pencils, and the variety of lash selections, including permanent solutions! My favorite style of makeup to create is boho glam with a strong focus on healthy glowing skin.
